

Dear Parent
Greetings!!

The summer vacation for your ward will commence from May 17, 2019. It is the time when students can relax, enjoy and continue their learning through various scholastic and co-scholastic activities. Various assignments have been drafted to assist them in a fun-filled learning environment.

All the parents must sit for quality time, have healthy discussions and make a study schedule with their ward. They should re-examine their priorities, set goals and make specific plans to achieve what they desire. Focusing on specific goals, helps the student move forward purposefully in life. **Self Assessment, Self Regulation and Self Study are sure shot tools to achieve success.** Just be true to yourself while accessing yourself even if it means setting low targets. Put in your best efforts and, experience the pleasure of watching dreams turn into reality.

It is our constant endeavor to mentor the students to excel in atleast one co-scholastic domain, be it, any game, theater, singing, dancing, speaking skills, writing skills. As per the request of the parents and approval from the school management, we are glad to inform you that the school will now observe a **five-day week for the students from July 2019 onwards.**

Fun-filled value added activities have been planned for each class on one Saturday per month. The time schedule for that day will be the same as on regular working days and buses shall ply as usual. That Saturday will be assigned as the **day for “Learning Beyond the Books”(LBB).** On this day various student-centric activities like sports, picnics and various subject-related activities will be held during the regular school timing. PTM will be held on every month’s Second Saturday for all the classes.

Kindly note the LBB Saturday assigned to your ward’s class:

Learning Beyond Book Day	First Saturday of the month	Third Saturday of the month
	Class 1 to 5	Class 6 to 9

I am confident that our collective efforts will help students to introspect themselves each day and become a better human being.

Summer Vacation Assignment
CLASS VI 2019-20

Dear Students

The long awaited vacation is here. Summer vacation, the time when you get up late, go for picnic, play for longer hours, spend time with family etc. but it's the **time to groom your ingenious abilities** too. We have planned assignments and creative work for you so that an optimum use of time, energy, ideas and creativity can be done.

Books are the quietest and the most constant of friends. It exercises our brain and improves concentration. It helps to focus on the story and subconsciously absorbs information on how to structure sentences and how to use words and other language features effectively in writing and speaking. Words are the building blocks and the children who are good readers tend to achieve better across the curriculum. So read as many story books as you can.

Help yourself to be a better human being-

- Cleanliness is next to Godliness, so **keep your surroundings clean.**
- Its scorching heat for birds, animals and plants too, feed them with food & water.
- Its family time, **spend time with your grandparents** and revive their childhood.
- Study hard for your better future. **Do a lot of revision.**
- **Challenge yourself**, by solving Sudoku, puzzles, riddles and enhancing vocabulary
- Make conscious effort to put life skills in to Practice.
- Watch TV but do not be a couch potato.

“Do your homework, study the craft, believe in yourself, and out-shine everyone”.
